i. Re-examination

Whenever the Civil Service Board believes that in the interest of justice, re-examination of any applicant(s) is required, the Board may order the Director of Human Resources, or designee, to conduct such an examination of all the applicants originally tested.

Section 6 LISTS

All classified positions in the city of Las Vegas shall be filled from a list of candidates who have been determined to be qualified as described below.

a. Priority and Types of Lists:

(1) Reduction-in-Force

Employees who were separated, reduced in grade, or transferred as a result of a reduction in force shall automatically be placed on a Reduction-in-Force list for their former classifications. No examination is required to be placed on the Reduction-in-Force list. The duration of the list will be identified in the appropriate bargaining unit contract.

The Reduction-in-Force list takes precedence over all other lists.

(2) Promotional

Any city employee in regular status (who has completed probation) who has obtained a passing score on a promotional examination shall be placed on the Promotional list for that classification.

(3) Open

Any candidate who has obtained a passing score on an open examination shall be placed on the Open list for that classification.

When Promotional and Open lists exist for the same classification, the Promotional list will be given first consideration. No appointments shall be made from lists of lower priority until there are fewer than five candidates available from the higher priority lists (see Section 7 for more details).

(4) Transfer

Any regular city employee who has requested a transfer to another department, and has received approval from Human Resources, shall be placed on the Transfer list for the approved classification. Appointive employees who had previously achieved regular status as a classified employee may request to be placed on the Transfer list for their former classification.

(5) Rehire

The Rehire list is made up of former city employees. To be eligible for placement on this list, the former employee must submit a written request to the Director of Human Resources, or designee, and must (a) have had regular status in any classification formerly held; (b) have left the city's employment in good standing within the past twenty-four months; and (c) receive the Civil Service Board's approval. If a former employee is selected from an Open list, his/her name shall be removed from the Rehire list.

NOTE: Transfer and Rehire lists are used in conjunction with the Promotional and Open lists.

b. Use of Alternate Lists

An alternate list is any list of the same or higher-grade level within the same classification family as the position being filled. In the absence of an existing list, the Director of Human Resources, or designee, may approve the use of an appropriate alternate existing list provided it is within the same bargaining unit contract.

c. Candidate Ranking on Lists

- (1) For lists derived as a result of promotional or open recruitment(s), candidates shall be placed on the appropriate lists in two groups ***(for all classified employees except Fire Classified)***:

Group 1 -Scores of 85.00 -100.00%

Group 2 -Scores of 70.00 -84.00%

For Fire Classified employees on Open lists:

Group 1 -Scores of 90.00 -100.00%

Group 2 -Scores of 80.00 -89.00%

Group 3 -Scores of 70.00 -79.00%

All final scores are rounded to the nearest whole number. The names of the candidates in each group shall be listed in alphabetical order.

- (2) The ranking of former employees on Reduction-in-Force lists shall be in accordance with the employees' respective classification seniority at the time of separation in accordance with appropriate bargaining contracts.

Section 7 APPOINTMENT OF CANDIDATES

a. Appointment of Candidates from a Reduction-in-Force List

- (1) If a Reduction-in-Force list exists for a classification, no appointments shall be made from any other list for that classification until the Reduction-in-Force list has been exhausted.
- (2) The hiring authority shall make a job offer to the top candidate from the appropriate classification list. Should that candidate refuse employment, the hiring authority shall then make an offer to the candidate whose name appears second on the list. This procedure shall continue until a candidate accepts the offer, or the list has been exhausted. Candidates who refuse the offer of re-employment shall forfeit all rehire rights and privileges and shall be removed from the list (see appropriate bargaining unit contract).

b. Appointment of Candidates from Lists

- (1) If an appointment is to be made from an Open or Promotional list, that appointment shall be made by the hiring authority from among the names of those in the highest category of the respective lists, as provided in Chapter IV, Section 6 (a). When promotional and open

exams are given simultaneously, the referral of names will be as follows
(with the exception of Fire):

Group I Promotional, when less than five names, add
Group I Open and Group II Promotional, when less than five names
on all three lists, add
Group II Open

For Fire Classified employees on Open lists:

Group I Promotional, when less than five names add
Group I Open, when less than five names on both lists add
Group II Promotional, when less than five names on all three lists
add
Group II Open, when less than five names on all four lists add
Group III Promotional, when less than five names on all five lists
add
Group III Open.

This procedure is to be followed until there are fewer than 5 names on
the eligible list or the list expires, whichever occurs first.

- (2) Persons appointed on a temporary basis from the reachable group of an
Open list may have a status change to probationary in the absence of
an existing list and prior to establishment of a new list.
- (3) If a candidate is hired as a temporary employee from a reachable group
and is promoted within the same department into that same
classification without a break in service, up to 90 days credit may be
applied to the probationary period depending on time served as a
temporary employee.

If a regular employee transfers to a temporary position, the employee
retains his/her regular status. The regular employee retains the right to
return to his/her regular position according to the reduction-in-force
clause in the appropriate bargaining unit contract.

- (4) With written agreement between the appropriate bargaining units and
the city of Las Vegas, rule of the list selection may be utilized.

 - (b) Remaining candidates who choose to retest must use their new examination score for placement on the new list.

- (c) Remaining candidates on the current list may transfer their score to the new list.
 - (d) Remaining candidates on the current list who do not respond to notification will be transferred to the new list with their score from the current list.

The Board shall either find the affidavit without merit and direct the case to proceed; or, cause the disqualified member to be removed. - i. All members of the Civil Service Board who heard the case (unless unavailable because of death, illness, or otherwise) shall find the relevant facts, including conclusions and inferences of fact, and enter an appropriate order, judgment, or other form of decision, which shall become a part of the record. If all members do not agree, the majority of the members present at the hearing shall determine the decision. If there is no majority vote, the case shall be considered lost, and the administrative decision shall be deemed upheld.

- j. At the conclusion of a hearing, pursuant to the provisions of Section 3 (Appeal Procedure) of this Chapter, the Board may find:
 - (1) That the action appealed was without justification and that the appellant shall be restored to his/her previous status and may or may not receive compensation for the period of any suspension, termination, or reduction in grade; or
